

HAMAD ALI

Junior Software Developer

As a hardworking individual I have successfully graduated from Pendleton Sixth Form. I am prepared to take on challenging work outside of my comfort zone and learn new skills. I have plenty of drive and self-motivation as I am always looking to finish work ahead of time so I can engage in other activities, for example, I completed a Fast Trackers Training Programme working on High Speed Rail 2 from which I have gained Industrial Cadets Gold Level Award and PWI (The Institution of Railway Infrastructure Engineers) certificate of achievement and I have competed Manchester Access Programme with the University of Manchester.

WORK EXPERIENCE

Manager

McDonald's Restaurant, Worley

Sep 2017 - Present

As a Floor Manager at McDonalds my duties include:

- Manage an area within the store
- Train new and current crew members the procedures and standard of McDonald.
- Interacting with customers, taking orders, handling cash, till work, preparing food at a hygienic level and maintaining the store's appearance.
- At the restaurant we have a diverse set of people coming into the restaurant with diverse needs and abilities, so it is important that I am cultivated in public service skills. This is something I enjoy doing as my people skills are developing all the times, and I am working alongside diverse types of people.

Software Developer Student

19 Spring Gardens, Manchester

Jul 2019 – Sep 2019

In the 12 weeks of the Master Course at Code Nation, I have learnt skills in, JavaScript, HTML, CSS and learning how to problem solve using charts and diagrams. Also learned skills in Node.js, introduction to testing using jest, React, using the terminal and command line, using git and git hub. Some of the projects I have worked on so far include making a dice game (single player version and two-player version), Instaclone, weather app, and my Portfolio. Also made a Tetris game, and a Calculator in React. Finally, for my final group project, I have been building a code editor.

Teacher Assistant

All Saints C of E Primary School, Farnworth

Jul 2016

During my time at the school I assisted the classroom teacher daily in a variety of roles. At the beginning of each school day and before each session, I would assist with classroom setup and welcomed students into class. I was also able to support a range of pupils with various needs during my time at the school especially pupils who had difficulty understanding English as I can speak Urdu.

SKILLS

Excellent communication, planning and organizational skills: As a Manager at McDonald I need to make sure I have planned and organized the floor plan of the shift and also communicate with customers and staff to motivate staff and give a great customer service.

Highly self-motivated and keen to learn new skills: I love to learn new skills such as new programming languages on websites to give me a basic knowledge of software development and I'm keen to sign up to events and engage in activities
